Available	Employee is scheduled to work/be in office and is able to perform specific job duties. Employee may be scheduled to work in another department.
Possible	Employee is not scheduled to work/be in office; however, the employee may be available to be scheduled if asked to perform specified job duties.
Unavailable	Employee is not scheduled to work/be in office, and is not available at all.
*	Means that you are the closer for the night.

Employee's day(s) off are subject to change for any reason at any time by management. Management will attempt to give you as much notice as possible if this occurs. Employee's may be asked to work on their scheduled day off, earlier, or later than their typical schedule times. Management will attempt to give you as much notice as possible if this occurs.
